N.B.—The reason of so few discharges of bills of sale, &c., being registered is mainly owing to the difficulty of proving the certificate of satisfaction as required by the Act (No. 8 of 5th Vic.), viz., the acknowledgment by the mortgagee of his signature to the certificate of satisfaction or proof of execution by said mortgagee by one of two witnesses upon affidavit before the Registrar-General or his deputy. For this reason the greater portion are allowed to lapse.

* Loan raised by Colonisation Commissioners. † Aid from Imperial Government. ‡ Aid to Revenue by issue of Bond and Treasury Bills.
§ Immigration ceased in these years.

NOTE.—Prior to 1851, all remittances to the Land and Emigration Commissioners were carried to account by the Colonial Treasurer as sums *expended* on immigration, and the receipts in England by the Land and Emigration Commissioners were never included in the accounts of the Colony—an adjustment of accounts was, however, made in the year 1853.
